## INTEGRA TELECOM NAMES TRENT ANDERSON VICE PRESIDENT OF ENTERPRISE SALES

**Portland, Ore.** – July 27, 2011 – [Integra Telecom Inc.](http://www.integratelecom.com), a provider of enterprise grade networking and communications solutions, has named Trent Anderson vice president of enterprise sales. In this new role, Anderson is responsible for doubling the company's sales force by the end of 2011 as Integra focuses on serving more businesses that demand sophisticated, high-capacity, fiber-based services. This is part of Integra's larger plan to leverage its expanding fiber network to deliver carrier-class Ethernet and VPN services to enable complex voice and cloud services to enterprise customers. Since May, Integra has hired over 60 employees across its 11-state service territory to support its focus on this segment of the market.

"I am committed to expanding Integra's presence in healthcare, government and education in addition to large, commercial enterprises throughout the West," said Anderson. "Integra has an extensive, world-class fiber network, along with superior customer service that provides an unparalleled value for our customers."

Anderson began his career at Integra Telecom in 1999 and has also served in various executive roles including regional operations, product development, and marketing.

Anderson graduated from Oregon State University's School of Business and has more than 20 years of industry experience in enterprise solutions, sales and business development.

### **About Integra Telecom**

Integra Telecom Inc. provides voice, data and Internet communications to thousands of business and carrier customers in 11 Western states, including: Arizona, California, Colorado, Idaho, Minnesota, Montana, Nevada, North Dakota, Oregon, Utah and Washington. The company owns and operates a best-in-class fiber-optic network comprising metropolitan access networks, a nationally acclaimed Internet and data network, and a 5,000-mile high-speed long haul network. The company has earned some of the highest customer loyalty and customer satisfaction ratings in the telecommunications industry. Integra Telecom is a registered trademark of Integra Telecom Inc.
